

Doggy Code at Escape2Norfolk

- Before you come, please can you ensure that your dog(s) is up to date with all of their flea and tick treatments.
- On arrival please keep your dog(s) on the lead while you unpack and get your bearings. There will be other guests on site so you must keep your dog(s) on a lead in the car park and ensure that they do not approach other guests who may have allergies.
- Dogs are not allowed upstairs but are allowed on the sofas so long as you use the throws provided and keep the dog from contact with the soft furnishings. We will have to levy an extra cleaning charge if they have been on the beds or on the uncovered sofas and damaged sheets will have to be paid for.
- You must let us know in advance if you intend to bring your dog(s). All dogs must be booked in by prior agreement. Any dogs that have not been booked in may not be allowed to stay and you will need to book them into a local kennel. All dog(s) will be charged at £50 per dog per stay - even if it is a 5 minute visit by a friend with their dog.
- Your dog must not be left alone with free run of the property. We provide dog crates, with sherpa cage mats and some dog treats. We provide a digital guide giving lots of information on the best dog friendly pubs/restaurants and places to visit so that your dog can be with you as much as possible.
- We regret that dogs that bark continuously are not allowed and you will be asked to leave the property since this disturbs the other guests.
- When you bring a muddy dog back from a walk please clean them outside using the hose, shampoo and coloured dog towels provided. Please on no account use the white bath towels provided for human guests or the upstairs bathrooms.
- Poop patrol! Please pick up after your dog(s) and dispose of poo in the outside poo-bin, whatever the weather. We provide a dedicated poo bin in the car park so please use it. Please remember to take bags with you to the beach and on walks.
- The garden is enclosed so that you can relax outside with your dog(s), the garden door must be kept shut at all times as it leads directly to the parking area and back lane.
- If you have a young dog please take care. They will chew the furniture or soft furnishings in our 5 star gold cottage! Maintaining our grading is key to our business and we can't always repair things so if it has to be replaced we will have to charge you. We do provide cages whenever dogs are booked in.
- The Countryside Code must be followed so please keep your dog(s) under close control at all times for their own safety as well as the comfort of others.
- We provide some toys for your dog's use while they are staying with us but please can you leave them for our next doggy friends and not take them home.
- Please give the cottage a basic clean, and remove as much of the dog hair as possible; if the house requires serious additional cleaning we will have to charge a £30 fee to cover the cost.
